CRISIS SUPPORT LINE

If you or someone you know is experiencing a mental health, substance use or emotional crisis, call [1-844-493-TALK \(8255\)](tel:1-844-493-TALK). We can help you manage an emergency situation, provide immediate support and solutions, and connect you to further resources.

CRISIS WALK-IN CENTERS / STABILIZATION UNITS

Our walk-in centers are open 24/7, and offer confidential, in-person crisis support, information and referrals to anyone in need. If you need assistance when helping others with a crisis, you can always go to a walk-in center near you. Some locations provide crisis beds for 1-5 days, for either voluntary or involuntary treatment. Visit www.ColoradoCrisisServices.org to view our walk-in center locations.

MOBILE CARE

With a referral from a Crisis Services Clinician we'll send out a mental health professional to provide support for those in need of face-to-face help, but who are unable to reasonably reach a walk-in center. Call [1-844-493-TALK \(8255\)](tel:1-844-493-TALK) to learn more about how to access this service.

RESPITE CARE

Respite care can only be initiated by a Crisis Services Clinician after an in-person meeting. Those needing safe, peer-managed stabilization and support can stay voluntarily for 1-14 days to get the help they need.
